

Congratulations! Travelodge Hotel Saskatoon

At the beginning of 2010, we identified several larger “Show Case Businesses” from within SHSA’s 3,900 Employers. The **Saskatoon Travelodge Hotel** is one of these successful employers.

Recently they were among *Canada’s Top 50 Employers for Young People* in 2010. This award recognizes employers that offer the nation’s best benefits for younger workers. These are Canada’s leaders in attracting and retaining younger employees to their organization.

As well, Betty Anne Latrace-Henderson was highlighted as *Canada’s Top Female Entrepreneur* for 2009. These women are ranked Canada’s most successful female entrepreneurs based on company revenue, growth, and profitability.

Further, the Travelodge won the *SABEX* (Saskatoon Achievement & Business Excellence) Award through a committee of peers who base their choice on businesses that exemplify performance, excellence and quality achievement in their respective categories.

Finally, was the recognition through the North Saskatoon Business Association ‘*Young Promising Entrepreneur Award*’ which is designed to recognize business achievement and contribution to the business community.
